Democratic Mass Meeting.

Pursuant to call of Chairman J. H. Thompson, the mass meeting of the Democracy of Bourbon County was held at the Court House in Paris, Kentucky, at 2 o'clock, p. m., January 1, 1906. Chairman Thompson stated the object of the meeting, to-wit: To give expression of the sentiments of Bourbon County's Democracy regarding the election of United States Senator. On motion J. H. Thompson was elected Chairman and R. K. McCarney Secretary of the meeting. Hon. James Winn, of Clark county, in an eloquent address, explained the position of the Hon. C. B. Eeton in the matter for his choice for United States Senator; satisfying the meeting that Mr. Eeton had been misled by false statements, and was now in full accord with the Democracy of this district. Upon motion, the Chairman appointed the following Committee on Resolutions: Denis Dundon, E. M. Dickson, James O'Brien, A. S. Thompson, R. K. McCarney, James B. Rogers, Ed. Rice, Geo. W. Morrow, W. F. Heathman, B. F. Buckley, Joseph Leach, J. P. Sullivan, John Current, J. W. Oliver, Wm. Layson, W. D. McIntyre and E. P. Thomason. Hon. E. M. Dickson, for the Committee of Resolutions, offered the following:

BE IT RESOLVED, FIRST:—That we, the Democracy of Bourbon county, in convention assembled, do most heartily endorse and approve the record of Hon. J. C. S. Blackburn as a Senator of the United States from Kentucky, and his fidelity to the highest and best interests of the people of this State and the nation, and his unflinching loyalty to the great principles of our party.

BE IT RESOLVED, SECOND:—That we do most earnestly approve and commend the action of our Representative in the Lower House of the Kentucky General Assembly, Hon. J. H. Woodford, and our Senator, Hon. C. B. Eeton, in supporting Senator Blackburn for renomination, as in so doing they represent the unqualified wishes of the Democracy of this county, and we now call upon them to use all honorable means in their power to secure his renomination and election to this high office.

Upon motion, the above resolutions

were unanimously adopted. Upon motion of Hon. A. S. Thompson it was resolved that a copy of these resolutions be furnished the press, and a copy each be delivered to Hon. Chas. B. Eeton and Hon. J. H. Woodford.

Thereafter, Mr. Hugh Montgomery arose and stated that he did not think the resolutions just adopted went far enough. He held that while he endorsed all that they said, and voted for them, he believed that he voiced the sentiments of nine-tenths of the Democrats of this county when he said that he not only approved the course of Hon. J. C. S. Blackburn, but he condemned the tactics of the political buccaneers who had at Frankfort, taken control of the party. Thereupon, he offered the following resolutions and moved their adoption, which was done unanimously:

RESOLVED, FIRST:—that the Democrats of Bourbon County not only unreservedly endorse Hon. J. C. S. Blackburn for re-election to the Senate of the United States, but, further, be it

RESOLVED, that we condemn the clique at Frankfort headed by Beckham, tricked to by Hager, and ministered to by Percy Haley.

RESOLVED, that Beckham Democracy is tainted with questionable barter and trades, and disfigured by narrow partisanship that is a reproach to our proud Commonwealth.

RESOLVED, that we condemn the manner in which offices of appointment are doled out in exchange for endorsement of the administration and votes by Committeemen that perpetuate the administration's power.

RESOLVED, that the machine at Frankfort does not truly reflect nor represent Kentucky Democracy, nor does the present Governor and his uncles know any Democracy who does not tend to the promotion of old selfish designs.

alt. Hotel Property Transferred.

The Windsor Hotel property was transferred to the new owners, Judge Parke, Judge Morton and George C. Webb, of Lexington, Saturday. Landed C. J. McLearn will continue to manage the hotel until the first of May, 1907, when his lease will expire. Many new improvements will be made to the property during the coming year.

A Handsome Present.

When Judge H. C. Smith called the Fiscal Court to order Saturday afternoon, one of the magistrates stated that Attorney Neville C. Fisher had something to say before the business of the Court was proceeded with. Mr. Fisher then stepped inside of the railing and in a very appropriate speech, paying high tribute to Judge Smith as a man and as an honored County official for many years, presented the surprised Judge with a beautiful silver Sheffield tray, holding an exquisite cut glass pitcher and six goblets, stating that it was but a token of the high esteem in which he was held by the officials and employees of the Court House.

Judge Smith replied to Mr. Fisher in a very touching and beautiful little speech, assuring the members of the Court, officials and employees, that it would until the end of time be the most cherished ornament in his household. It was a very handsome present, and was furnished by A. J. Winters & Co.

Will Entertain Court Officials.

The Richard Howes Chapter, U. D. C., will entertain the retiring and new members of the Fiscal Court at dinner on Saturday, Jan. 6th, at the Court House. The Confederate Veterans are invited to meet with them.

Judge Dundon's First Order.

Judge Denis Dundon was kept busy yesterday in shaking hands with hundreds of his friends who called to congratulate him on entering upon his duties of County Judge of Bourbon County. By the smile upon his face, as he sat at his desk behind a bunch of pink carnations, one would never imagine that he had so recently been dehorned by the outgoing Fiscal Court.

His first official order entered was to carry out a promise to the people of Centreville precinct by changing the No. 1 voting place of that precinct back to Centreville, the outgoing Court having moved it to near Jacksonville some months ago.

Huge Task.

It was a huge task to undertake the cure of such a bad case of kidney disease, as that of C. F. Collier, of Cherokee, Iowa, but Electric Bitters did it. He writes: "My kidneys were so far gone, I could not sit on a chair without a cushion; and suffered from dreadful backache, headache and depression. In Electric Bitters, however, I found a cure, and by then was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach." Guaranteed by Oberdorfer, the druggist. Price 50c.

Dangers of Defective Plumbing!

Defective plumbing permits the entrance into the house of sewer gas bearing germs or contagious disease to which the human system readily succumbs. Sewer gas is not necessarily generated in the sewer, but is frequently created in the plumbing system within the home and enters the apartments through defective fixtures. If in doubt, consult us regarding the piping and repairing defective fixtures with "STANDARD" Porcelain Enameled Ware, acknowledged as the best sanitary equipment.

JUDGE DENIS DUNDON took his seat as County Judge of Bourbon County yesterday, and it might be said under a handicap, for the office was turned over to him by the outgoing Fiscal Court with a debt of from \$20,000 to 30,000 hanging over the county. It is safe to say though that the affairs of the county could not be in better hands than Judge Dundon's. He is one of the leading Attorneys at the Paris bar, a man of good judgment and whose integrity is unimpeachable. We believe, that although handicapped, he will conduct the affairs of the office in such a manner during his term that will reflect not only honor upon himself but upon the people of Bourbon County.

SENATOR C. B. ECTON, of this, the Twenty-eighth senatorial district, Friday, made another change of front in the race for United States Senator and announced in a card given out at Winchester that he had decided to fulfill his ante-election pledges and support Mr. Blackburn for re-election. It is to be hoped Mr. Ecton is sincere in this last change. This paper may have dealt with him a little harshly, but when we find out that he has for sure carried out his pledges to our people, we will take pleasure, probably, in forgetting the bad day the old man had. Anyway, it was hog-killing time and maybe his short illness was caused by eating too much fresh hog meat. It does go to your head sometimes. We are still for you Senator if your name is found in the Blackburn column, but if it is not there— Continued in our next.

HON. JAMES M. O'BRIEN entered upon his duties as Mayor of the City of Paris yesterday morning. We now repeat our prediction of several months ago, that if elected Mr. O'Brien would make one of the best Mayor's Paris ever had and we hold to that opinion. He is a successful business man, and having been recently admitted to the Bourbon bar as a practicing attorney is sure to make a success of the law, and his reign as the Chief Magistrate of the City we feel will be crowned with success. His first official act is a letter addressed to each saloonkeeper in Paris, a copy of which can be seen in another column of this issue. He tells them that all of the city ordinances are to be enforced and especially the Sunday Closing law. It is a candid and sensible document, and anyone that knows Mr. O'Brien, knows that his word is as good as his bond; when he says a thing he means it, and the people can depend on the city ordinances of Paris being enforced during the next four years or we will admit we were mistaken in the man.

The Board of Directors of State College is going to ask the Legislature to vote them an appropriation of \$100,000 for improvements. The last Legislature voted the College, which by the way is a state institution, \$15,000. Auditor Hager said it was not constitutional and the Board of Directors employed Lewis McQuown, Chairman of the State Central Democratic Committee, Eli Brown, Speaker of the last House, and W. O. Davis, a Democratic official of Woodford county, to carry the case to the Court of Appeals. The Court decided that the Auditor was mistaken and ordered the money paid over. The Board then voted the three gentlemen \$5,000 for collecting the \$15,000 the State had voted to the college. Notice the name of the lawyers, truly the "Machine" lawyers. Would it not be well for the Legislature to go slow on this \$100,000 appropriation now asked for. Auditor Hager may say this is unconstitutional, no telling, and if he did, it would mean nearly a \$40,000 lawyer fee for collection, and the College would only get \$60,000. That is, at the same ratio of as this \$5,000 fee.

If it would be possible to get an anti-machine Committee to make an investigation of all this State College trouble that is constantly in the papers maybe the investigation would redound to the good of the College, the patrons and the public.

This institution should be an honor to our state. Every Kentuckian should take pride in it. If needed the \$100,000 should be voted, but we are opposed to that or any other amount being given to State College until there is a change in the management. When anything resembling graft is at work in an institution of this kind, it is time for the Legislature to wipe off the slate and fill in with other names. From newspaper accounts it would look like the main trouble at State College is too much Patterism. "Old Pat," as he is called by college people, has stayed too long, and another head in our opinion would remove a great deal of the odium now attached to the institution.

vs. Notice of sale.
Joseph A. Hildreth, &c., Defendants.

By virtue of order of sale in the above
cause at the Nover Term, 1905, the un-
dersigned will sell at public outcry,
about 11 o'clock a. m., on

Monday, February 5th, 1906,

being County Court-day, at the front
door of the Court-house in Paris, Ky.,
the following lands:

A tract containing 301 acres, known
as the "Joseph A. Hildreth land," locat-
ed in Bourbon county, Ky., on the Paris
& Flat Rock Turnpike, about 5 1/2 miles
from Paris, bounded on the South by
said turnpike; on the West by dirt road;
on the North by tract occupied by J. A.
Hildreth and by the old Blue Lick
dirt road; on the East by the lands of
Jas. E. Clay and A. J. Ritchie, and having
thereon two tenant houses and two
tobacco barns.

Said land will be offered as a whole,
and then in two parcels, one of 131 02
acres, the other of 170 acres, both front-
ing on said turnpike, and each having a
tenant house and tobacco barn thereon.
Plat and survey of said lands and the
divisions thereof can be seen at the office
of the undersigned. See also hand bills
for description of lands by metes and
bounds.

TERMS—Said sale will be made upon
a credit of 6, 12 and 18 months for equal
parts of the purchase money, purchas-
ers to execute bonds with good surety, to
be approved of by the undersigned, pay-
able to the undersigned, and bearing in-
terest from date of sale at the rate of 6
per cent. After confirmation of sale,
purchaser may pay bonds and stop in-
terest. By order of Court, purchasers

PUBLIC SALE

—OF—

Blue Grass Farm

I will sell at auction on the prem-
ises at Thomson's Station, Clark
County, Ky., on the C. & O. Railway,
midway between Winchester and Mt.
Sterling, on

Thursday, February 1, 1906,

AT 11 O'CLOCK,

a tract of land containing 266 acres,
36 poles, lying on the North side of
said road, and being a portion of the
once famous Harrison Thomson farm,
well-known for its growth of Walnut,
Sugar Tree, Poplar and Blue Ash,
indication of the finest order of Blue
Grass soil, and famous for its produc-
tiveness of its large yield of corn,
wheat, etc.

While all of it has been cleared and
cultivated, much of it is of recent
virgin soil. In the last twenty-five
years, not more than three crops of
tobacco have been grown on any part
of it, and during the past twelve
years, not more than two crops of
corn on any portion. There is no
part of it that will not produce ten
barrels of corn per acre. Seventy-
five acres will now produce good
tobacco, and the whole can, in a little
time, be made first-class tobacco
land. It has one tenant house, and
with two large ponds from twelve to
twenty feet in depth, besides excel-
lent springs, etc., make it one of the
best watered places in the county. It
is well drained and has several beau-
tiful building sites upon the place.
Located on the railway with six pas-
senger trains daily. Postoffice, tele-
graph, telephone, express office, etc.,
at the station adjoining and lying
upon two turnpikes, seven miles each
from Mt. Sterling and Winchester
certainly makes this one of the most
desirable farms in the famous Blue
Grass Region of Kentucky.

TERMS—One-fourth cash, balance
in equal payments of one, two and
three years, with interest at 5 per
cent. per annum on deferred pay-
ments, or purchaser can pay cash if
desired.

I will probably offer at the same
time a farm of 217 acres lying on the
South side of the railroad and being
a part of the same farm, with one
tenant house and a \$3,000 tobacco
barn upon it, all well watered.
Terms as above.

Flourishing Paris and County Banks.

What city in Kentucky can show a better financial condition than the City of Paris, that is of the same class? Just take a glance at the statements of our banking institutions before answering the question.

The deposits of the Paris banks are as follows: Deposit, \$292,385.85; Geo. Alexander & Co., \$269,431.08; Agricultural, \$210,598.73; Citizens, \$125,898.86; Bourbon, \$163,437.63; First National, \$226,435.56. Total, \$1,288,187.71.

The dividends declared are as follows: Deposit, 3 per cent. and \$2,000 added to surplus; Bourbon, 4 per cent.; Agricultural, 5 per cent. The Citizens and First National added earnings to surplus and tax fund.

The Farmers Bank at Millersburg shows deposits of \$103,942.43.

The North Middletown Deposit has deposits of \$99,000, and declared 4 per cent. dividend.

We were unable to get the statement of the flourishing little Clintonville bank.

We call attention to the statements in full of the Deposit, Agricultural, Bourbon, First National and Farmers on the fourth page of this issue.

DEATHS.

—Mrs. Ann Rebecca Webb, relict of the late Washington Webb, died suddenly at her home in the Center-ville precinct, Sunday afternoon, at 3 o'clock, of paralysis, in her 82nd year. She was one of Bourbon county's oldest citizens. She was the daughter of the late Hiram Simpson, and a sister to the mother of Mr. Walter Clark, of this city. She is survived by two children, one son, Mr. Wash Webb, and one daughter, Mrs. Mollie Barlow, both of whom made their home with their mother, and were at her bedside when she passed away.

Mrs. Webb had for many years been a consistent member of the Baptist church, and it can be truthfully said that she was one of the best women of our county, a devoted mother, a true friend and a noble christian woman gone from our midst to her just reward.

The funeral services will be held at the residence this morning, at 10:30 o'clock, conducted by Rev. G. W. Clarke, of the Baptist church. Burial at Jacksonville cemetery.

—Mr. James Henry Scott, aged 68 years, died Thursday night, at his home at Pine Grove, in Clark county, of paralysis, having before suffered with several attacks.

Mr. Scott was one of the most prominent and wealthiest citizens of Clark county. He had been an active and successful business man, and retired to the quiet life on his farm several years ago. He was a director in the Winchester banks and also in the Citizen National at Lexington. His life was one well-spent, and when the end came he left an honorable record behind, one that could be emulated by the young men of this day.

He is survived by his wife and two children, one son, Wm. S. Scott, of Lexington, and one daughter, Mrs. Henry V. Thompson, of Clark.

The deceased was a brother of Mrs. G. C. Thompson, of this county.

Funeral services were held at the residence Saturday, and burial took place in Winchester cemetery.

—Mrs. Mary Dean, of this city, aged 67 years, died at 3:30 o'clock, Sunday afternoon at St. Elizabeth Hospital, Covington, of a complication of diseases. She is survived by one son, John Dean, manager of the Adams Express Company's office in this city. Mrs. Dean was an estimable christian woman and a most affectionate mother. The remains arrived here yesterday and were taken to the home of her son on Convent Heights. Funeral services will be held at the Catholic church this morning, at 9:30, conducted by Rev. Father E. A. Burke. Burial in Catholic cemetery.

Loses An Arm.

F. P. Thomas, formerly of Cincinnati, who has been operating the Peacock Distillery, near Kiser-ton, for several years, had an arm so badly mangled in the milling machinery Friday morning that amputation was necessary. Dr. Ferguson and Dr. Frank Fithian were called in and amputated the injured member three inches from the shoulder. The distillery had commenced operations on Thursday and Mr. Thomas was trying to adjust the grinding machinery which was not working well. He has a family in Cincinnati. Much sympathy is expressed for him by the internal revenue men and all that knew him.

Looks More And More Like Deadlock.

Every Democratic politician in Kentucky is either in Frankfort or will be there to-day. A deadlock in the race for United States Senator from Kentucky indicated strongly for past few days, is more and more confirmed as the time for the caucus grows nigh. Senator James B. McCreary arrived at Frankfort Sunday and announced himself in favor of the re-election of Senator Blackburn and the election of R. W. Miller for speaker.

Both sides are claiming everything. It is our opinion that Miller will be elected Speaker and Senator Blackburn re-elected to the Senate. Here's hoping anyway.

Mayor O'Brien's First Official Act.

The first official act of Mayor James M. O'Brien, after being inducted into office as the head of the city government, yesterday, was to mail a letter to each of the saloon-keepers in the city, a copy of which we give below and which, explains itself, viz:

"PARIS, KY., Jan. 1, 1906.
"_____, Esq.,
"Paris, Ky.

"Dear Sir:-

"There is a strong demand, on the part of the people of Paris, for the enforcement of the city ordinances, the sentiment in favor, more especially, of Sunday closing being much stronger than you may suppose. I believe that it is to the interest of every person engaged in the saloon business to respect that sentiment as the present policy of many of the saloon keepers, if continued, will inevitably lead to the adoption of either prohibition or high license with stringent saloon regulations. I do not believe that you would care to have either of those systems adopted in the City of Paris.

"After a thorough and careful consideration of the question—and I have tried to look at it from your standpoint as well as that of the general public—I have decided to have the Sunday closing law strictly enforced during my term of office and have instructed the members of the police force accordingly. I shall, so far as it lies in my power, insist upon an observance of this ordinance, and upon a second conviction for a violation of its provisions will ask the Board of Council to revoke the license of the person so offending.

"I am sending a copy of this letter to every person engaged in the saloon business in the city. Hoping to have the benefit of your assistance and co-operation in the matter, I am,
"Yours very truly,
"JAMES M. O'BRIEN,
Mayor."

Doings in Fiscal Court.

The Bourbon Fiscal Court, with all of the magistrates present, held busy sessions Friday and Saturday closing up the old business before it, so as to turn county matters over to the new administration on January 1st. The following compose the orders entered by the old Court.

The Finance Committee settled with Sheriff W. W. Mitchell, who turned over to County Treasurer C. M. Thomas \$38,000.

This same Committee also settled with P. I. McCarthy, Commissioner and Receiver of the fund of the Court House bonds. The Court allowed Mr. McCarthy \$2,000 for his services, covering a period of three years. During that time he was custodian of \$153,000, all of which he paid out except \$4,400, which amount was turned over to the County Treasurer.

Prison guards salary was fixed at \$2.00 per day.

There being \$7,000 of the Garth Fund money lying idle, it was ordered that the County borrow the amount at 6 per cent. interest.

An order was made to properly furnish a room in the Court House to be occupied by C. F. Redmon, Road Supervisor. His office will be on the first floor.

The offices of the superintendent and guard of the Court House were abolished.

A resolution was then offered by Squire J. P. Howell tendering Judge H. C. Smith \$1,000 in recognition of extra services rendered by him outside of his regular duties of County Judge. Judge Smith ruled the resolution unconstitutional and no vote was taken, but it was ordered recorded.

As there was no more offices to abolish, so as to keep Judge Dundon from making any appointments, the Court adjourned.

After the adjournment of the Court Squire C. F. Redmon resigned as Magistrate, and was immediately sworn in as Road Supervisor. Supervisor Redmon then appointed Lytle Purnell, retiring Clerk of the Quarterly Court, as guard of the prisoners who work upon the public roads. This appointment has heretofore been made by the County Judges. The appointment of Mr. Purnell was recognized by retiring Judge Smith, and made part of the Court's record.

Police Sworn In.

Mayor James M. O'Brien swore in the members of the police force at City Hall last evening. He told them that he expected to enforce the City ordinances while he was Mayor and that he would hold the policemen responsible for the now-enforcement of them. He also informed them that he wanted the entire force on duty on Sundays. The members of the force are: Geo. M. Hill, Chief; J. C. Elgin, Ben Bishop, Hugh Toolin and James Burke, patrolmen.

Cynthiana Sensation.

The Cincinnati Enquirer, of Friday, contained the following special from Cynthiana: "It is reported here that J. Stanley Webster, County Attorney here, has filed suit in the Fayette Circuit Court for divorce against his wife naming his former law partner, Bailey D. Berry, as co-respondent.

"The troubles of the Websters have been the general topic in society and business circles for several weeks. Mrs. Webster was Miss Moore and comes of a prominent family in Lexington. Her brother, George Moore, is Police Judge. Webster was born here and is the son of Jerry Webster, a prominent citizen.

"The Websters have no children. They resided in a comfortable home here and were generally regarded as a happy couple. Only a short time ago they separated and sensational stories have been in circulation connecting the names of Mrs. Webster and Bailey Berry, who was Webster's law partner. Berry, recently moved with his family to Lexington, where the firm had an office, being the attorneys for the Central Kentucky Traction Company.

"Berry's friends here say Webster is mistaken. Berry and Mrs. Webster are second cousins, and his friends say that they had always been fond of one another, but only in a social way. Webster says he knows that he is right, and proposes to prosecute his suit to the end."

The Elks' Social.

The Elks' Social last evening was an occasion of unusual enjoyment to the large number of guests in attendance. Eloquent, bright and witty responses to toasts were the order of the evening.

Mr. Courtland Leer was ordered by his brother Elks, several weeks ago, to get up a good lunch for the occasion, and he far exceeded all expectations. It proved conclusively that the Elks knew their business when they selected Mr. Leer to attend to this part of the evening's program. He had three tables the length of the lodge room, with 170 plates. The sumptuous lunch consisted of three roasted pigs, four old country hams, five bronze gobblers, seventeen guineas, five ducks, chicken salad, rabbit salad, potato chips, white plume celery, olives, beaten biscuits, etc. On the sideboard in adjoining room could be found from Kentucky's best product of twice the voting age down to a bottle of Wiedemann.

The Elks band furnished excellent music during the evening.

A Case Without a Parallel.

Barren County has a case of matrimony probably without a parallel in the state. Nearly two years ago Bud Wrenn moved from Warren County to a farm near Glasgow. Later he employed Jerry Clabsey. During the summer Clabsey showed Mrs. Wrenn such marked attention that in the fall she and her husband were divorced, she marrying Clabsey a few days later. The newly wedded couple moved nearer Glasgow and began housekeeping.

Wrenn soon tired of single blessedness and went to the home of Clabsey and made satisfactory arrangements to live with him. Ordinarily the situation would be rather embarrassing, but Mrs. Clabsey seems to be getting along nicely with her present and her former husband. These conditions have existed for the last 18 months, and neighbors say that not the least ruffle has ever occurred to mar the happiness of the home.

XTRAGOOD

A Valuable Agent.

The glycerine employed in Dr. Pierce's medicines greatly enhances the medicinal properties which it extracts and holds in solution much better than alcohol would. It also possesses medicinal properties of its own, being a valuable demulcent, nutritive, antiseptic and antiferment. It adds greatly to the efficacy of the Black Cherrybark, Golden Seal root, Stone root and Queen's root, contained in "Golden Medical Discovery" in subduing chronic, or lingering coughs, bronchial, throat and lung affections, for all of which these agents are recommended by standard medical authorities.

In all cases where there is a wasting away of flesh, loss of appetite, with weak stomach, as in the early stages of consumption, there can be no doubt that glycerine acts as a valuable nutritive and aids the Golden Seal root, Stone root, Queen's root and Black Cherrybark in promoting digestion and building up the flesh and strength, controlling the cough and bringing about a healthy condition of the whole system. Of course, it must not be expected to work miracles. It will not cure consumption except in its earlier stages. It will cure very severe, obstinate, chronic coughs, bronchial and laryngeal troubles, and chronic sore throat with hoarseness. In acute coughs it is not so effective. It is in the lingering coughs, or those of long standing, even when accompanied by bleeding from lungs, that it has performed its most marvelous cures. Send for and read the little book of extracts, treating of the properties and uses of the several medicinal roots that enter into Dr. Pierce's Golden Medical Discovery and learn why this medicine has such a wide range of application in the cure of diseases. It is sent free. Address Dr. R. V. Pierce, Buffalo, N. Y. The "Discovery" contains no alcohol or harmful habit-forming drug. Ingredients all printed on each bottle wrapper in plain English.

Sick people, especially those suffering from diseases of long standing, are invited to consult Dr. Pierce by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound copy.

Baptist Colleges Under One Head.

Work has begun on the drafting of a charter by the Co-ordination Committee of the Baptist churches of Kentucky for a society which will have control of all the Baptist colleges and schools of Kentucky. The control of the schools by this society will not interfere with the individual management of the various schools, but will place all the schools under one head, which will, in turn, be under the control of the General Association.

The plans include a proposition to raise \$200,000 to be used in enlarging and improving the schools.

DEATHS.

—Mr. Charles W. Townsend, the well-known newspaper man of Lexington, died at his home in that city Friday night, after several weeks illness. He is survived by his wife, nee Miss Jennie F. Wilson, of Fayette, and one son and two daughters, all grown.

The wife of Dr. W. H. Holloway, who lives seven miles from Lexington, died Friday from the effects of an overdose of chloral. She had been accustomed to taking the drug to allay pain from a malady from which she had long suffered, but the doses had been prepared by her husband. During her husband's absence she took a dose, and in her ignorance of its power, took too much.

A Good Suggestion.

"There is a wide diversity of opinion as to what ought to be done with the Quay statue. Originally it was intended to figure as an adornment of the Capital grounds at Harrisburg. Then came the reform cyclone and the proposition to put the effigy inside the Capitol, out of the reach of vandalism. Next it was suggested that Beaver county would appreciate the statue as a gift; the Record favors its erection on the Governor's farm at Schenckville, and a Schuylkill county legislator proposes that it should be placed over the Dauphin county jail."—Philadelphia Record.

The question is easily settled by the following good suggestion of the Courier-Journal "Why not place it in the Temple of Justice as a monument to the statute of limitations, which kept the subject of the statue out of the penitentiary? Such a statue to such a statute would not be ill-placed."

To Continue Business.

This is to certify that I have decided to continue the dairy business. Thanking my many customers for their past patronage and consideration, I shall try and deserve a continuance of same by supplying them with the choicest of choice dairy produce. Very Respectfully, M. B. LOVELL.

For Thirty Days We Are Going to do the Battle of Our Lives!

Sale Begins Saturday, Jan. 6

WE are going to do battle for the masses and not classes. Thirty Days we want to make this the greatest Cash Gathering Carnival that ever appeared in the history of the country, for with us it is cold cash we want, and we must have it quick. All former attempts at merchandising by us or any other concern, within 50 miles of this city, will be eclipsed beyond all question. **The city will be in a stir as never before.** A hustle and a bustle throughout the entire big store that will wake mortal man from his slumbers and make competition howl until you can hear them for blocks around. It will be a wonderful gathering of the people. We want Cash and we are going to give the people the benefit. We will raise the roof if necessary. *It will be a hot time in the old time now.*

We are going to pour shot and shell into the enemy's camp, until they will think they are once more storming Port Arthur. There will be cannonading all along the line, for with us it is cut loose and unload now, not later. Our loss will be the people's gain and we expect them for Fifty Miles around to turn out to this harvest for all the people and not the favored few. There never was such an undertaking in this city, and we do not believe there ever will be again. Absolutely \$1 here will do the work of \$1.50 to \$2 elsewhere, on many lines, and **Next Saturday Morning, January 6**, when these doors open, you will see such a gathering of people as never appeared on the streets of this city before.

RAIN OR SHINE THE BATTLE GOES ON:—We have put our word out to the people and you know how well we have kept it. Our word to you will be our bond, and there is not one item, or half a dozen, going to be put out for bait, as you will find plenty trying to do, but **OVER 4,000 ITEMS**, all at a price that never met mortal man's eyes before. From one end of the big store to the other you will find the fluttering of red tickets with the price of destruction marked on them and staring you in the face, no matter which door you come in.

THE WHOLE SHOOTING MATCH GOES TO THE PUBLIC.—We want to do ten times the business of our lives, because we want Cash. We expect multitudes standing in line and your share will be for you. We have put on extra sales people, and no matter whether the sun shines or whether it is raining, it will pay you to gather up your gum coats, mackintoshes and umbrella, and come down and see the greatest display of merchandise sold for the least money that ever appeared to your eyes, or any other person's eyes, since you were born. Wholesale prices, and less, reign throughout this entire big institution on many items.

The Great Clothing Sale

That you have heard so much about will be in full blast as soon as the doors open, with every other department throughout the store in the same way.
